## LAYING OUR FIRST RAIL

- Photo by Ron Middlestaedt -

### THE MINNEHAHA STORY - -

It was something like 100 years ago or so that rails were first laid past Minnehaha Falls to connect St. Paul and Minneapolis via Mendota. Now MTM is also laying rail there...sure, it's not much, only 90 ft., but it's OUR first rail. Chances are there'd be nothing on this site now, not even the depot, had it not been for YOUR EFFORTS AND SUPPORT through your Museum! Come out and see the excellent finished product Tuesday night.
